

Recycling Information

The recycle cart with the yellow lid is **ONLY** for recycling. No trash should ever be in it.

Be sure glass is separated in its own bag and left beside or on top of the recycle cart.

Bags are ONLY used for glass. All other recyclables should be loose in the cart.

If things are left in your recycle cart it is because we do not recycle those items.

Recycling collection days are on the second and fourth weeks of the month on your regular trash collection day. **Corrugated cardboard** needs to be flattened and placed beside the cart; **glass bottles** separated into their own bag and left beside the cart; **aluminum cans, paper, plastic, and tin cans** all go together in the cart provided. As with the trash, please have your recycling out at the curb by 7:00 a.m. A separate truck will pick up the recycling.
